MESSAGE

The University of North Bengal (accredited by NAAC with Grade "A") was founded in the year 1962. We are on the verge of another academic session 2021-2022. Every year, we welcome a fresh batch of excellent and enthusiastic students on one hand while another batch full of talent passes out of the Institution, on the other hand, and steps into the real world of various professions. As you step into this campus with new hopes and dreams, you step into another stage of your student life to begin the journey of learning and experiences.

To be successful in life, have ambitions and define your goals clearly. Discipline and hard work is the key to success. Be regular in your classes and focus on your goals. Your efforts with the able guidance of your teachers would definitely provide you a blissful life.

I welcome all the students and wish you all the best for achieving greater success and scaling new heights in the coming session.
